## California Title 20 Water-Efficiency Standards

Effective January 1st, 2016 all faucets shipping to the state of California will require the following low-flow water efficiency standards:

When placing orders shipping to the state of California you will need to specify the appropriate flow rate following the item number for products that fall in the below categories. See examples below:

Residential Lavatory Faucet: 1177-A-**E1.2**  
Public Lavatory Faucet: 3127-12AN1-**E0.5**

Plumbing Fixtures	Maximum Rate
Kitchen	1.8 gpm
Residential Lavatory Faucet:	1.2 gpm
Public Lavatory Faucet:	0.5 gpm
Showerheads:	2.5 gpm

**Please note:** Central Brass kitchen faucets and showerheads meet the new 20 Water-Efficiency Standards.

# TERMS & CONDITIONS

This price book has been prepared for the convenience of Central Brass' distributors and their customers and supersedes all previous Central Brass price schedules. The prices shown are the basis for distributor discounts and are not intended as resale prices. Possession of this price book by any person is not an offer to sell them, or anyone else, the goods listed herein at the prices shown.

## SALES POLICY

All prices within this catalog are subject to change without notice. Goods which differ in any material respect, such as size or finish, from the goods as illustrated and described in Seller's literature are subject to special prices. Central Brass may, at its discretion, discontinue, modify or change any product listed in its catalog without prior notice.

## SALES TAX

All merchandise is sold to customers for resale. Customers assume full responsibility for all taxes or other assessments imposed by any government agency. All customers must furnish a valid resale or tax exemption number.

## WARRANTY

Central Brass products are warranted to the original consumer purchaser. Please refer to the warranty enclosed with each Central Brass product for specific details. Additional copies are available upon request.

## RETURNED GOODS

Product MAY NOT be returned without prior inspection and written authorization from a Central Brass representative. An approved Returned Goods Authorization must accompany all returns. A handling charge of 50% will be assessed against any returned product without prior authorization. Credits will be issued based on the established purchase price less any applicable transportation, handling and restocking charges. Returns of discontinued products or products determined to be in non-resalable condition are not accepted and will be issued credit at scrap value only. Credits must be taken within six months of date of issue.

## CLAIMS

Claims for shortage of goods must be presented within 5 days from the date of receipt of shipment and must state the packing slip number applicable to the claim. Any claim not so presented will be conclusively deemed waived.
